

TE OPPORTUNITIES: EVERY CONNECTION COUNTS

We're TE Connectivity. We design and build smarter ways to connect and protect the flow of power and data in millions of products people use every day.

We work side by side with the biggest companies in virtually every industry—from consumer electronics, energy and healthcare, to automotive, aerospace and communication networks. We know what's coming years before it hits the shelf, road, sky, ocean or even your pocket because we help make it happen. Join us, and you can too.

OUR OFFER

- An exciting position in a global team
- Above average intern salary between 600 and 1,000EUR/month.
- Work experience in an international Marketing & Communications function of a multi-billion B2B company
- Know-how in marketing technically complex products in a fast-paced, rapidly changing environment.

Please contact Anita Bunk, Global Marketing Communications/eBusiness, on +49 6151 607 3578 or on anita.bunk@te.com if you have any questions. Please apply with English CV to jobs-da@te.com referring to 2011-32376
